BRAD SOLOMON

CEO AND FOUNDER, CTG GROUP MASTER ACCREDITED COACH

With 28 years of experience in the field Brad is a highly trusted and experienced executive coach and leadership consultant with a proven track record in guiding senior-level executives to enhance their leadership capabilities, drive organizational growth, and achieve their professional goals. Over the last three decades Brad has developed a deep understanding of the unique challenges faced by executives in today's dynamic business environment.

Areas of Expertise:

- Leadership Development
- Executive Communication
- Performance Improvement
- Career Transition
- Strategic Thinking
- Team Building

Brad's coaching approach is tailored to the specific needs of each individual client. By combining proven coaching methodologies, psychological insights, and business acumen, he helps senior executives unlock their full potential and develop the necessary skills to excel in their roles. With a focus on self-reflection, goal-setting, and accountability, Brad empowers clients to overcome obstacles, leverage their strengths, and achieve exceptional results.

Over the years Brad has worked with executives from various industries including professional sport, technology, finance, media, healthcare, and manufacturing. Since 1996 he has been designing and delivering Leadership and Management Development programs with organisations such as Red Hat INC, The Walt Disney Company, Uber, Pokemon, Hex, The Princes Trust, Leonardo, Industrial Light and Magic, Johnson & Johnson, Palo Alto, Trend Micro, International SOS, Alliance Pharma, Dealfront, The National Probation Service, Rentokil, PWC, Canary Wharf Group, Dreams, Softcat and Avis Europe.

With signature Leadership & Coaching Programs, Brad designs development programs that are ILM accredited and conference talks that are educational, motivational and most of all inspire the beginning of a life-long love of continuous personal and professional development. Through one-on-one coaching sessions, workshops, and leadership development programs, he has enabled numerous executives to enhance their leadership competence, improve team dynamics, and drive organizational performance.

Credentials:
