

ALESSANDRO ATTANELLI

TRAINER, FACILITATOR &
COACH

BACKGROUND

Alessandro coaches individuals and teams. He is a skilled facilitator and trainer who has worked for global organisations over the past 18 years.

Alessandro focuses on working around the intention and clarity people place on their words and actions, in synergy with the team energy, the vision and the strategic priorities of each company.

Alessandro is certified in Generative Coaching and is an expert in psychometrics profiling (Insights, MBTI, 360°). His passion is to create immersive and transformative experiences, blending coaching, non-violent communication, collective intelligence and artistic approach (body, dance, music).
