

LOLA CHAPADO

LEADERSHIP COACH,
FACILITATOR & TRAINER

BACKGROUND

With over 20 years experience working for some of the most admired global brands and leaders across different sectors, Lola remains passionate about one thing: unlocking people's talent to achieve their career aspirations and serve those of their organisations.

Her strong values always match those of the businesses she has supported and through her experience coaching leaders at all levels, Lola has learnt the value of the role the business culture plays on the engagement and growth of each individual so she restlessly works towards enhancing their skills and motivations.

Having lived in different countries and supported teams in all regions across the world, Lola understands how critical diversity is to be successful and strives to achieve a more inclusive leadership culture wherever she goes.

Lola is accredited in some of the leading psychometric profiling tools (Insights Discovery, ESCI, 360) and other specific indicators around change, influence, team effectiveness and others, that bring self-awareness and understanding of the people around us, improving significantly the connection and effectiveness of individuals, teams and organisations.
