

MICHAEL DOYLE

COACH

BACKGROUND

Developing yourself as a next generation leader can be filled with ambiguity. You're not sure which actions are the right actions, and you don't want to fail. Michael's solution is simple, Fear + Action = Courage. Michael asks questions that draw out your vision and strengths. From your new vantage point you will see the strategic actions you need to take, giving you courage to propel yourself to the next level of your career. As a recent client said, "Working with Michael was like being hit by a tsunami of insight."
